This form gives you information about Rev. Jacqueline Sowell, MA, ThetaHealing, and energy work in general.

Under California law, you need to know that Rev. Jacqueline Sowell is not a state licensed physician or surgeon. Rev. Jacqueline Sowell will NOT diagnose or prescribe medicines or medical treatments for you or recommend that you discontinue legal drugs or controlled substances prescribed by an appropriately licensed practitioner. Rev. Jacqueline Sowell neither encourages nor discourages you from contacting a state licensed physician or surgeon.

Rev. Jacqueline Sowell is an ordained minister who has studied and practiced the energy healing techniques of ThetaHealing, Reiki, and Matrix Energetics. The theory behind these energy healing modalities is that subtle energies and prayer affect change in the energy fields of the human body.

Rev. Jacqueline Sowell only administers energy work to people of their own free will.

The State does not license the prayer and energy treatments you will receive. Such treatment are considered alternative or complementary to healing arts services licensed by Washington State.

There is no guarantee that the treatments you receive will work.

I have read and received a written copy of this Disclosure Form. I understand the contents of this form and voluntarily choose to receive the energy treatments described above.
